Jimmy D Scott is an infectiously inspirational artist who radiates warmth and heart.

He has opened for mega stars such as The Jackson 5, Al Green, The Temptations and The Funkadelics. He has enlisted the likes of Bootsy Collins, The Memphis Horns and Al Greens backup singers to perform on his tracks.

With fearless charisma, Jimmy's D's new album "Evening with You" features the time proven smash "Shakey Ground" and the hopeful toe tapping gem "Here's the Love"

In 2010, ESPN's Monday Night Football featured Jimmy on the opening song. His screen appearances continued in 2012 with an appearance along side Vivica A. Fox in the movie Queen City.
